**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had DSL service provider and switched to fiber (Sonic). I chose Sonic because it was cheaper than ATT with phone and internet service. ATT service had 12 month discount but would hike up rates higher than Sonic.

USTelecom, the trade association which represents some of the nations largest incumbent carriers (such as AT&T, Verizon, and others) has petitioned the Federal Communications Commission (FCC) to dismantle key components of the 1996 Telecommunications Act.

In short, price competition will be affected if this petition goes through. Broadband competition/prices will stifle.
