**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently have telephone and broadband for my home and office through an independent small business competitor of AT&T and Comcast. I am a small business owner and the top notch customer service my ISP provides is crucial to providing reliable accounting services to my clients. Keeping access to my independent ISP is important to me. Dont allow the major players to eliminate competition and completely dominate the market. I want access to fiber internet through an independent company!
