**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am adding my name to the list of people who feel competitive broadband is important. For years I did not have any choice and was forced to use the only cable provider in the area. Now there are more choices in my community and I have opted to use a much more reasonably priced fiber optic service.

I believe everyone should have similar options.

Thank you.
