**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Prior to Sonic running fiber to my neighborhood I had only one option for truly high speed internet, Comcast. When Sonic started providing fiber service it was an easy decision to switch. Prices are now lower, speed is higher, and quality of service is better. Competition is critical to keep the service providers honest. I will not accept anything less.
