Dear Ms. Dortch:

On May 17, 2019, Dynetics, Inc. ("Dynetics") filed its "Request For Modification Of Freeze" with the Commission in the above-referenced proceeding.

Dynetics is filing this Erratum to make the following corrections:

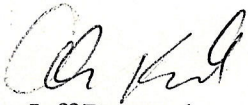

- At Page 1, the first sentence inadvertently cited "Section 1.4...."

This Erratum corrects that language to read "Section 1.41"

- At Footnote 1 (Page 1), the citation specified "47 C.F.R. § 1.4."

This Erratum corrects that citation to read "47 C.F.R. § 1.41"

Respectfully submitted,

Jeff Rummel
