**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local internet provider to support my local small business. I have been unhappy with my past experience with a nationwide DSL provider and do not want a price hikes that will increase the cost of my internet service.

That's why I'm asking you to reject any attempts to cut off the Bridge to Broadband and reduce internet service provider competition. More competition is better for the consumer!
