**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen and disabled. Sonic is local and understands my needs. I only use broadband local TV but my computer helps me a lot.

They understand when I need help and communicate in simple terms so we can fix things over the phone. I have some difficult speaking and they are patient with me take it slow.

Making these changes will be destructive. Please allow competition so I won't lose my rights and the help I need.
