**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber today, and it is a small independent company that provides local jobs for local people. The customer service is amazing, and the price is right. I am so glad to be away from the big internet service providers, but am now worried that competition will disappear because of this. I work in big data, and depend on good connections.
