**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am connected to the Internet via a small DSL company. I am also using a small telephone service provider for my local and long-distance calls. I experience much better customer service through my current providers than I did from large companies like AT&T, and I am also paying lower prices for this better service than I would with a large service provider. I would be sorry to lose these benefits. Please do not eliminate the network bridging that now makes this kind of healthy competition possible.
