**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a competitive provider Sonic that has excellent live customer support, better prices, and employs local residents in my area. Included with this service is a free home phone line which I would not otherwise have and which is necessary as a disaster service worker as part of my employment.

Please, save my local competitive service provider and do not sell out to the major broadband companies, such as ATT.
