**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who supports broadband competition. I use a smaller provider because their service is much better and their prices are lower, and they support my interests. Do not dismantle regulations that support broader competition in the telecom market.

I hope this time you will keep the interests of consumers in mind rather than the big telecom companies.

Thank you
