**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Being a senior citizen and on a fixed income I chose a competitive provider, fiber, over AT&T mainly because of the cost but have found it to be much better service and cost considerably less than AT&T.

If I ever have a problem it is addressed immediately rather than waiting hours, days to hear from AT&T. I DO NOT want to go back to AT&T with more price hikes and poor service.

I love my local broadband provider. More competition is better!!
