**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the petition to change the 1996 Telecommunications Act. As a residential customer of Sonic, I want companies like Sonic to be able to compete fairly and support broadband competition. Without proper access for Sonic, I may not be able to enjoy the service that Sonic provides. The proposed change will only increase prices and restrict competition.
