**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net is a breath of fresh air when it comes to telephone and internet service providers. After suffering through very low speeds with AT&T, I switched to Sonic.

Sonic is providing me 4x the speed of what AT&T is offering over the exact same lines. If I am forced to go back to AT&T, I will be unable to watch Netflix, Amazon & Sling on HD anymore.

Please keep innovation alive - don't kill off competition!
