**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer in Petaluma, California who works from home and needs reliable, affordable broadband internet and phone service. I am also a committed member of my community and want to support local businesses. Sonic has been amazing in every way. That said, I was a Comcast customer for years. Their prices continued to go up and up and up. We could no longer afford their services (no option for ONLY affordable Internet) and were less than satisfied with their customer service.

Please do not take away our options.

Respectfully,

Debra DeLaRosa
