**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without broadband competitors like Sonic, I would be paying more money for less bandwidth and less reliable connectivity. Without the Telecommunications Act of 1996, I would be stuck between Comcast and ATT for broadband. These two in my experience are expensive, slow, and not very reliable. Please allow the Act to remain in place.
