**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I feel like the dominant internet providers are stifling innovation and trying to increase their revenues at the expense of competition and service for the consumers. As both a consumer and a business owner that uses a small ISP over AT&T's copper, I strongly urge you to oppose the proposed changes. Please keep competition and innovation alive!

Best,
