**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports and needs broadband competition.

Competition is the key to a healthy marketplace.

Without broadband competition, I and other consumers and business owners will lose access to fast, affordable internet and phone service.

I rely on the services I receive from Sonic.net and I oppose this petition.

Please do the right thing for consumers, business owners and small providers, not for the few big companies which are big enough already.
