**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer of broadband services, I value competition. I found my current carrier through careful research. The value if the service is great. Further more, my carrier was able to provide fiber access at a very competitive price. This enabled to work from home part of the time. If competition is rolled back, prices will increase and the number of providers will be drastically cut. For all consumers in the country, Congress must not restrict competition by local providers.
