**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband service is critical to me and to my family. My wife and I use it to run our business. My children use it for school work. the entire family uses it for entertainment. we currently have fiber, but previously (10+ years) had dsl over copper lines. Please make sure that there remains an ability of service providers to use copper lines for dsl.
