**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I signed with sonic for their services because they are local company that offers great personal service...not like big corp.
They have competitive pricing and good service.

We don't need large corporations killing the little guys. Sonic , as small company to offer fiber at prices below competition DSL says alot.

No competition means people like do not have a choice.
