**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Fairness, justice, and open competition must be the hallmarks of our capitalist society. In my small town, my small internet provider is absolutely essential for my work and personal life.

I do not want a monster corporation monopolizing the internet. Open free competition and let the customer decide who they will spend their money on.
