**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my ISP because they offered a compelling value in terms of performance for my money. Their customer service is excellent and they also believe in Net Neutrality and Privacy which other ISPs do not. I am completely dependent on Sonic for my job and would be materially affected if they were no longer an option. Please don't increase the price or make my relationship with them worse in any way. I previously had a slower mainstream ISP and my satisfaction with Sonic is significantly better than with what I had.
