**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I recently switched to a new company for telephone and internet services. It is a small company that provides excellent services. Its prices are fair and reasonable. Competition is greatly needed at this time.

Please allow this completion to continue for the average citizen. Competition helps keep prices affordable.

Also this small company keeps jobs in America.
