**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on competitive markets when analyzing my purchases; this competitive spirit is the fundamental core of American democracy and capitalism. I choose choice. I choose competition. I support small and innovative businesses, as entrepreneurship is also a core American value. I support my community, and choose to keep my locally generated income in my community, supporting my neighbors. This too, is a core principle that makes America great.

Inhibiting this competition in support of multinational conglomerate monopolies goes against every positive core principle that defines the American Spirit. Where do you stand?
