**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive internet provider because I believe in marketplace options. I have also chosen a competitive phone provider. Do not limit me please.

Broadband is critical to my area. During wildfires two years ago, power was out and this was all we had. There will be more wildfires. Local broadband providers are key in this scenario.
