**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Citizens United is quite enough. Please stop allowing corporations to rule our lives. I want access to a broad range of ISPs. I do not want price hikes brought upon my internet and telephone services. The costs of these services are already hard to pay by the steadily increasing population of impoverished Americans. Corporations are taking over all three branches of our government and apparently they are taking over our governmental agencies as well. Please do your job to keep our communication services free and equal.
