**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want as much competition as possible. Broadband is extremely important for my home and my research. As small town resident, it is very critical to me, to have broadband services at the competitive prices I have now.

FCC, remember, monopolies destroy competition and when the competition is destroyed so is innovation.

Sincerely yours,

Alonso Villa
