**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition and merit-based business are at the core of American values. I support local business' right to compete in the market to provide fairly-priced internet service that respects my privacy. Cutting off my ability to choose means less freedom to choose a business whose values align with my own, as well as increased prices from monopolies.
