**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and I got our first computer only about 3 years ago and rely on low cost, affordable internet and phone service. We oppose the petition of larger carriers that would stop competition or cut off access to smaller providers. As a Sonic residential customer we will be materially affected if this petition is granted.

Please allow for more competition and access to fast, affordable Internet and phone service.

Thank you,

Gerhard Busse
