**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I finally got away from ATT, with a local internet and landline phone provider which gives me everything I want and costs less.

The transition was delayed by ATT, but finally got done.

But the billings from ATT continued. I spent more hours than I should have on the phone trying to get them stopped. I was transferred from person to person, left on hold, given different ridiculous reasons for billing me for services in the future.

After I contacted the FCC, ATT returned my money.

I still get the paper advertisements for ATT in my mailbox regularly, featuring their swell cable TV deals. Even if I had a television, I would not return to ATT.
