**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because their service better in every way, customer service as well as technical service. Please do not allow price hikes by major companies that will only stifle competition. I once had DSL and now have fiber provided by Sonic. an independent company. I don't believe this would have been possible if competition was stifled by the big guys.
