**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose this petition. I work from home to cover hospital computers and depend on the speed and performance of my connection.

Competition from local companies keep the price competitive and forces bigger companies to innovate like the adaptation of fiber after Sonic pushed it out to residents. I pay less for my connection and get more.
