**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic.Net for my internet and landline phone service. I chose this provider for the price and the service. I had used ATT previously and to be frank, they suck. Their customer service is terrible and they are much more expensive. Please do not limit the competition in this area. I am a senior citizen and if I am not able to use Sonic I will not have internet or landline service. I will not use ATT as they have such bad service and their employees do not care plus one has to be on hold for ages. With Sonic there is a pleasant person who answers the phone and helps you solve whatever problem exists.
