**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic internet and phone service customer in San Francisco. I have also been a customer of AT&T and Comcast. Sonic service and support is years ahead of what those other providers deliver and it comes at a lower cost. As a software developer who works at home three days a week reliable, fast internet service is essential to my job. Competition in this market place is working. Please keep it in place.
