RE: WT Docket No. 18-197, Confidentiality of NRUF/LNP Data

Dear Mr. Stockdale and Ms. Harris:

The Office of the Nebraska Attorney General (“Office of the Attorney General”) is conducting an inquiry into the proposed merger of T-Mobile US, Inc. and Sprint Corporation. In connection with that investigation, the Office of the Attorney General plans to seek access to materials filed with the Federal Communications Commission (“FCC”) that contain or incorporate Numbering Resource Utilization and Forecast (“NRUF”) data and local number portability (“LNP”) data provided by telecommunications carriers. This letter sets forth the confidentiality protections that the Office of the Attorney General will accord to NRUF and LNP data and any filings containing such data that are obtained in connection with its investigation of the proposed transaction.

The Office of the Attorney General will use NRUF and LNP data, and any materials containing such data, only for legitimate law enforcement purposes and will keep such data confidential as provided under Neb. Rev. Stat. § 59-1611. The Office of the Attorney General will not disclose such data unless such disclosure is required by law or is reasonably required to further a legitimate law enforcement purpose.

Furthermore, if a request is made under Nebraska's Public Records Statutes, Neb. Rev. Stat. §§ 84-712 et seq., for the disclosure of NRUF/LNP data, or information based on such data, the Office of the Attorney General will assert any exemptions it deems applicable and use its best efforts to provide concerned parties with notice prior to the release of any such data or information. If NRUF data, LNP data, and/or confidential information based on that data become the subject of discovery in any litigation to which the State of Nebraska is a party, the Office of the Attorney General will use its best efforts to ensure that a protective order is entered and will make reasonable efforts to avoid providing the requested data or information until all concerned parties have had an opportunity to review and comment on the protective order and to apply to the court for further protection.

Please do not hesitate to contact me if you have any questions about this matter or need further information.

Sincerely,

DOUGLAS J. PETERSON  
Attorney General
