**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We must preserve the 1996 Telecommunications Act. It is absolutely essential to majority of consumers to have competition in the global network as well as to local comm providers and small businesses.

We have fiber in our home today. It is one thousand times more reliable than DSL.

Thank you,
