**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the foundation of Capitalism. Please don't push competitive providers out. I support broadband competition.

It is essential that more than just two providers be allowed (and even encouraged!) to participate in this aspect of our economy.

No price hikes that increase the cost of internet and telephone services!
