**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to continue using a competitive somewhat local provider for my internet service!

I support broadband competition and you must make a level playing field. Do not let the huge telecommunication companies re-establish monopolies!

Do NOT let them push out smaller competitors and then raise prices. This is not in favor of consumers.

I used to have DSL and now I have fiber.

Do not send us back in time!

I support broadband competition.

Christopher McMahon
