**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition because it provides the best prices for me as a consumer and allows access to services I would otherwise not be able to get as a residential customer. I would not have been able to get Fiber service and wouldve been stuck with DSL if broadband competition did not exist!
