**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who strongly supports broadband competition. With such competition, companies become responsible for providing higher quality internet access and services at reasonable prices. I currently have fiber but was previously connected with competitive DSL. Please say no to price hikes that will increase the cost of internet and phone services for all Americans. Thank you.
