**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I encourage you, most strongly, not to eliminate the wholesale requirements of the Telecommunications Act of 1996. They have prevented the market from being dominated by a few large companies, and have allowed residential consumer like myself to choose smaller ISPs to have access to the Internet at a reasonable price.

Thank you.
