**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No Price hike, broadband services are critical for performing daily job, please add more competition and choice of service.

FCC should work for people's need, all the big corporates are only interested in their profit, big pay of to their top level execute and keep wallstreet happy.

If the government elected by the people and for the people, work for big corporate we need to change this system.
