**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had terrible service and no service from AT&T for many years. Then I finally gave up on them and had adequate service from Comcast at an exorbitant price for several years after that. Finally a local broadband provider hooked up our neighborhood with fiber. I have been a customer of this local broadband provider for the past two years and it has been fantastic. Best service and best pricing. All of this at the same location. Lesson learned.

Don't dismantle broadband regulation!
