**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition without price hikes. I'm a teacher and need broadband for my home, business and school. I support broadband competition. NO to price hikes that will increase the cost of internet and telephone services, its unfair to consumers. I rely on competitive prices on my small business. Our school, Las Positas College, Livermore, CA is also very much dependent on competitive prices.
