**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a senior on a fixed income. I rely on competition to get the most bang for my buck. Competition is important in a democracy. We don't need more monopolies like Amazon we need consciousness business to keep our society going. Think of our society as your society. When we feel satisfied you will be rewarded with our loyalty.
