**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently use Sonic as my internet provider for both personal and business purposes. When Sonic started offering service in my neighborhood a bit more than a year ago, I was able to significantly improve the speed and quality of my service, at a lower price than ATT.

Im grateful for open competition between providers and hope you will continue to support a competitive environment. I know there are many people in my neighborhood who also have benefited.

Thank you.
