**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not take action to limit choices in the market place for internet service providers.

I chose Sonic because they provide better service than the giant telecom companies. Their service is faster, more reliable, and they provide better customer service. I use their fiber service.

They offered high speed service to my home, which is out the ocean in San Francisco, while other carriers offered their highest speed service only in central San Francisco, near the business center.
