**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's critical to have provider competition, just like in the telephone market. In addition, broadband is critical to my community.

Say NO to price hikes that will increase the cost of internet and telephone services, and no to anything that reduces competition.

Make internet work for Americans, not anti-competitive greedy business interests.

Sincerely,

Barry Roeder
