**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an older woman who lives in a mobile home. I depend on Sonic to bring me my internet. They do so at a reasonable cost, unlike the other service providers. It would be a hardship for me to have to pay the prices of the other providers. I like many others depend on our local Sonic. Sonic always has our backs, unlike the big companies that I used to have to deal with. Competition is what this country runs on. We need more of it not less. Please stand with the little guys and do not allow this the corporations to run the country.
